

HEALTH AND SAFETY POLICY

Connected Buildings is committed to health and safety, to eliminating workplace injury and illness, and to continually improving workplace health and safety performance, while delivering technology solutions for strata buildings.

This will be achieved through:

- Defined roles and responsibilities for workplace health and safety (WHS)
- Compliance with relevant WHS legislation and other requirements placed upon us
- Setting objectives and targets with the aim of eliminating work related incidents
- Ensuring safe practices are included in all planning activities
- Consultation with employees and other parties on WHS matters
- Ensuring all workers are competent for the work they do
- Providing ongoing education and training to all our employees
- Ensuring incidents are investigated and lessons are learned within the organisation
- Continually reviewing and improving safety performance
