

PAINTING PROPOSAL

Hello there,

Our family has been involved in the Painting of Brisbane Homes and Businesses with Petros Moulis in the early 1970's. The family business was renamed QPaint in 2001, with Tas taking over from his father. His goal was to build a quality, reputable business built on integrity, that attracted great people who loved to paint. Let's take a quick moment to let you know more about who we are and why we love doing what we do...

Humble Beginnings...

QPaint's managing brothers, Tas and Vas Moulis, were born and raised in West End. Their father Petros immigrated from Greece 1968 and mother Debbie from New Zealand. They both knew Australia offered them amazing opportunities for a great life, but they both knew it would take hard work. Petros and Debbie embarked on starting their business over 4 decades ago.

For their sons Tas and Vas, growing up in that kind of environment instilled attitudes of hard work, strong family values and a desire to deliver outstanding service, quality and value for money.

Your home is probably the biggest purchase you will ever make and may also be your biggest asset. Painting offers the most cost effective way to improve and add value to your home, but being able to find a painter you can trust can be difficult... until now.

Cheapest is not always the cheapest in the long run, expensive never ensures you of quality.

Tas currently sits as Vice President of the Master Painters Association of Queensland and both he and Vas are driven by 2 things...to build a reputable, quality painting business and to make their parents proud.

We look forward to working with you,

Tas Moulis

CLIENT TESTIMONIALS

“The quality of the workmanship was fantastic!”

What a difference it makes with the painting complete! We would be only too happy to recommend the team at QPaint – nothing was too much trouble, all smooth sailing and the quality of workmanship was fantastic! Thanks again.

“...very impressed with the level of professionalism and customer service”

From the first moment I met Tas at the Home Show until the final touch ups were completed, I was very impressed with the level of professionalism and customer service from QPaint.

The quote was done promptly and it was the most detailed of the several I received, the use of annotated photos in the quote to clearly indicate what would be done to each section was a unique and effective approach.

The pricing was competitive and combined with the detailed quote and observations during the inspection gave me the confidence to give the work to QPaint, a decision I have not regretted.

The team onsite were always courteous and cooperative and the work was completed on time and on budget.

I have no hesitation in recommending QPaint.

“On receiving the quote I was very impressed with the amount of detail that went into it”

Just wanted to let you and your staff know that my husband Tony & I are very happy with the paint job of both the inside & outside of our house. The job was carried out in a very professional and efficient manner, special thanks to Carl and the crew.

On receiving the quote I was very impressed with the amount of detail that went into it, giving us a good understanding of exactly what the job involved. This helped us make our decision to choose QPaint over the others and has resulted in an excellent job.
